

Homework Clubs

Thank you for your interest in becoming a Homework Clubs volunteer!

Volunteering takes place on a weekly basis during term time on the various days and times outlined below. Please apply online at q-su.org/volunteer/Opportunities

When applying, please select the specific clubs, days and time slots which suit your availability and location. If your application is successful, you will be allocated **one** of these.

Each club has different volunteering needs, therefore the more slots you are available for, the more likely we can allocate you a place. Once matched, unfortunately we are unable to reallocate you if your chosen slot no longer suits.

As clubs offer in-person support for young people, you must be able to make your own way to the Homework Club location. Please see below club distance from Queen's University and visit the Homework Clubs location map at go.qub.ac.uk/HomeworkClubsMap to ensure it is feasible for you to walk/travel to the club.
