Vote Grace Duffy for Education

Hi my name is Grace and I'm a fourth year student in the School of Psychology. I am the current SU Voice Intern and I've working closely with the current Education Officer and various student representatives. I have always been driven to **advocate for the voices of young people** whether as SpunOut.ie action panel member, Education Support Officer in the School of Psychology or Athena Swan committee member and I will continue to be a **strong voice for students** as your Education Officer.

Creating a Stronger Academic Community

- Student Support Officers to increase the sense of community.
- Transition into each year with planned activities.
- Emphasis on student skills support by running workshops within the schools.

Enhancing Flexible Learning

- **Lecture recording** for every class **posted within 48 hours.**
- **Timetables released earlier** so students can plan.
- Improve communications around exams and **reduce exam weighting.**
- Provide a **deadline** to lecturers for **when feedback should be posted.**
- Show a grade class average so students can track grades.
- **Reduce bunched deadlines.**

Amplifying Student Voices

- Create video training resources that can be accessed anytime.
- Continue to build a strong community of representatives.
- Continue development of the academic hub.

Careers Support

- Increase awareness about the opportunities Queens offer to students.
- Workshops on the use of My Future, QWork and others.
- Workplace visits by schools during placements.
- Establishing relationships with future employers prior to graduation.
- **Reduce placement fees.**
