

## UG Education Officer report January

- Organised and attended the first 'Student rep coordinator rep review workshop', all student rep coordinators, ESS staff, SU staff, myself and Kieran alongside two of our UG reps attended. We discussed future plans for the rep renewal such as training, recruitment, handovers. From this meeting a list of actions were drawn up to move this partnership strategy 2030 project forward.
- Meet with Deans and Heads of Schools around the Teaching Awards and discussed the future of this and the possible inclusion of student nominated awards in the future.
- Fed back on the welcome week project with student inputs.
- Attended an away day with University Management and the Unions at Queens. Spent a day discussing the future of Queens and coming together in a formal fashion.
- Held and 'Election Run-Down' event in the wee bar for all students to come and listen to current officers, school and faculty reps talk about their time in the role. This was well attended and free food was also given out.
- Sat on the external review panel as the student representative for NI to discuss the future of the QAA in NI.
- Helped organise and attended a workshop on lecture capture policy's future with Dr Emily Nord, university staff and the UCU. I managed to get a student representative from all schools there and I am pleased that the Deans and PVC have progressed this further as a result of this meeting.
- Attended USI National Council in Derry where we debated policies on a national scale.
- Discussed with the PVC and chairs of the Strategy 2030 the future of the Voice stream and welcome a new chair to the stream Helen Mc Neely.
- Attended all university meeting ECQS, FECs, Strategy meetings, SVCs along with internal SU meetings EMC, All Staff meetings, Officer catch ups.
