

Postgraduate Education Officer Report

August

- Limerick SU came to visit and were thoroughly impressed with our union and the way it operates.
- Had our first meeting with the PVC, Judy Williams, to discuss our plans for the year and how she can be of assistance to these.
- Filmed the Canvas introduction video with El and CED to be shown to students as an introduction to the canvas tool.
- Attended an SU Marketing introduction for information on the department and how we need to operate for them to get the best content at the best time, as well as how we are to make content.
- Met with the Deans of all three faculties to discuss our plans for the year and get to know them and how they can best assist us. We learned of the struggles each faculty faced last year and their current priorities for the year ahead.
- Attended SUT+ in Coleraine, as a continuation from the training received in Tralee. There were many more additional sessions that we could attend to further our knowledge and skills as an officer.
- Attended Community of Practice meeting with the Student Rep Co-Ordinators to discussing rep trainings and the best practice amongst schools according to the NSS scores. Letting them know about school specific trainings that will be happening this year.
- Delivered the undergraduate faculty and school rep trainings which was well attended. Included important contacts, school contacts, roles of a rep and plans for the year.
- Attended the freshers festival discussion with Stephen to help get an understanding of his vision for the festival.
- Meetings surrounding video enhanced learning and the upcoming pilot of this.
